

Chapter Update May, 2004

David Ulane, A.A.E., President

President's Note

Well, I'm trying to make good on my commitment to communicate frequently with all of you, so here is the first installment of my planned updates. Please note that I've resisted the urge to call this update something campy like "Chapter Chat". If you've got an idea for a better title than "Chapter Update", I'm open to suggestions! As always you can reach me at (435) 634-5822, or at dulane@infowest.com. Hope to see you in Vega\$ next month!

Student Chapter to Staff Chapter's Booth at Annual Conference

At the AAAE Annual Conference in Las Vegas next month, the Metropolitan State College of Denver (MSCD) AAAE Student Chapter will be staffing our Chapter booth throughout the conference. Centennial Airport in Englewood, Colorado provided \$3,000 of funding for the group's attendance in Vegas, a contribution that was matched with another \$3,000 at our membership meeting in Victoria.

As an MSCD alum myself, I'm excited to see the student chapter reenergized and involved. This group of young professionals will be the key to the future success of our industry and our Chapter, and I appreciate your support of their desire to participate. Rest assured, however, we have not simply provided the group an all-expense paid trip to Vegas; we've put them to hard work for the benefit of the Chapter. They have been cleaning up and revamping the Chapter's booth, and are compiling promotional materials for upcoming IAFC, Resort Airport Conference and our Chapter Annual conference. While you're in Las Vegas, please make it a point to stop by our booth, introduce yourself and get to know this group of outstanding students.

SALT LAKE CITY
INTERNATIONAL AIRPORT

Host city for the 2002 Olympic Winter Games

International Airport Facilities Conference- September 12-14, 2004

As many of you probably already know, Chapter Secretary/Treasurer Al Stuart and his staff at Salt Lake City International Airport are hosting this year's International Airport Facilities Conference (IAFC) in Salt Lake City September 12 – 14.

Al and his staff are putting together an outstanding program, and I would encourage all of you to have members of your staff attend this year's IAFC. This is a key conference, for both for the success of the Chapter and the our members. Look for more information at the Chapter booth in Las Vegas, and in the mail from AAAE!

Chapter Meeting Scheduled at AAAE Annual Conference in Las Vegas

Please remember that the Chapter will hold a membership meeting during the AAAE Annual Conference in Las Vegas. The meeting is scheduled from 9:00 a.m. to 10:30 a.m. on Monday June 21st. Items anticipated for discussion include the Chapter budget and committee assignments.

Help Us Stay Current...

One of the biggest challenges we have as an organization is keeping our membership information current. In the next few months, AAAE will be unveiling a free service for all AAAE Chapters that, among other things, will allow us to update a member's Chapter information when AAAE receives a change. Until then, please send your contact information changes to:

Ed Storer, Executive Secretary
